## PROGRAM DESCRIPTION

### General Purpose of the Funding

As authorized by the Bipartisan Safer Communities Act of 2022, the Byrne State Crisis Intervention Formula Program (Byrne SCIP) provides funds to implement state crisis intervention court proceedings and related programs or initiatives, including extreme risk protection order (ERPO) programs, as well as mental health courts, drug courts, and veterans treatment courts.

For the purposes of this NOFO, “related programs or initiatives” refers to those programs or initiatives that have a direct connection to crisis intervention. Programs or initiatives that are solely focused on non-crisis intervention activities and have no reasonable relationship or rational connection to the intervention of a crisis would not be considered crisis intervention. Related programs or initiatives can include certain court-based programs, programs that deflect or divert individuals to behavioral health services, and gun safety programs. Such programs or initiatives can include, but are not limited to:

- **Law enforcement crisis intervention**
  - Specialized training for law enforcement, including crisis response and intervention training (CRIT), and overtime for officers to attend such training
  - Personnel, supplies, and other related costs for crisis intervention
- **Court-based programming**
  - Expand the capacity of existing drug, mental health, and veterans treatment courts
  - Prosecutor, pretrial, or court diversion programs
  - Embed clinicians in prosecutor, public defender and/or courts agencies to provide screening, assessment, and referral to services
- **Referrals to treatment for people in crisis**
  - Assertive community treatment
  - Assisted outpatient treatment
  - Civil commitment
  - Behavioral threat assessment programs and related training
  - Regional crisis call centers
  - Crisis receiving and stabilization facilities
  - Suicide prevention and intervention services
- **ERPO programs**
  - Training for judiciary and court staff, family members, law enforcement and first responders, social service providers, and clinicians on ERPO and ERPO proceedings

### Program Requirements

- **State Crisis Intervention Program Plan and Budget Approval**

Program and budget plans must be expressly approved by BJA post award via Grant Award Modification (GAM) before funds can be obligated, expended, or drawn down with the exception of obligations not to exceed \$20,000 for the sole purpose of developing

the program and budget plans. The detailed process for obtaining post-award approval can be found in the [Byrne SCIP FAQs](#).

- **Authorization of Subawards**

All subawards must be expressly authorized by BJA post award via GAM before funds can be obligated for subawards.

- **Evaluation, Data Collection, and Required Cooperation**

Recipients will be required to cooperate with BJA and to cooperate with the statutorily required evaluation activities as part of the terms and conditions of the award. Applicants may budget and allocate grant funding to meet specific research and programmatic requirements under this award regarding:

1. The effectiveness of the crisis intervention program or ERPO initiative in preventing violence and suicide.
2. Measures that have been taken to safeguard the constitutional rights of an individual subject to a crisis intervention program or ERPO initiative.

**The use of grant funds to engage with a research partner to meet the evaluation, data collection, and required cooperation requirements is allowable.**

- **Mandatory Requirements for ERPOs**

ERPO programs must include, at a minimum:

1. Pre-deprivation and post-deprivation due process rights that prevent any violation or infringement of the Constitution of the United States, including, but not limited to, the Bill of Rights and the substantive or procedural due process rights guaranteed under the Fifth and Fourteenth Amendments to the Constitution of the United States, as applied to the States and as interpreted by State courts and United States courts (including the Supreme Court of the United States). Such programs must include, at the appropriate phase, to prevent any violation of constitutional rights, and at minimum notice, the right to an in-person hearing, an unbiased adjudicator, the right to know opposing evidence, the right to present evidence, and the right to confront adverse witnesses.
2. The right to be represented by counsel at no expense to the government.
3. Pre-deprivation and post-deprivation heightened evidentiary standards and proof which mean not less than the protections afforded to a similarly situated litigant in Federal court or promulgated by the state's evidentiary body, and sufficient to ensure the full protections of the Constitution of the United States, including, but not limited to, the Bill of Rights and the substantive and procedural due process rights guaranteed under the Fifth and Fourteenth Amendments to the Constitution of the United States, as applied to the states and as interpreted by state courts and United States courts (including the Supreme Court of the United States). The heightened evidentiary standards and proof under such programs must, at all appropriate phases to prevent any violation of any constitutional right, at minimum, prevent reliance upon evidence that is unsworn or unaffirmed, irrelevant, based on inadmissible hearsay, unreliable, vague, speculative, and lacking a foundation.
4. Penalties for abuse of the program.

Byrne SCIP recipients who plan to use funding to support ERPO programs must submit a [Certification Relating to Pub. L. No. 90-351, Title I, Sec. 501\(a\)\(1\)\(I\)\(iv\) \(Extreme-Risk Protection-Order Programs\)](#) signed by a principal legal officer certifying that the extreme risk protection-order program to be funded satisfies each of the requirements above prior to the use of grant funds for ERPO programs.

### **Formula Allocations**

Consistent with the Bipartisan Safer Communities Supplemental Appropriations Act, 2022, Byrne SCIP funds will be “awarded pursuant to the formula allocation (adjusted in proportion to the relative amounts statutorily designated therefor) that was used in the fiscal year prior to the year for which funds are provided for the Edward Byrne Memorial Justice Assistance Grant Program.” Therefore, allocations for FY 2025 Byrne SCIP are based on the FY 2024 Edward Byrne Memorial Justice Assistance Grant (JAG) Program. The allocations by state for FY 2025 Byrne SCIP can be found at: <https://bja.ojp.gov/funding/fy-2025-byrne-scip-allocations.pdf>.

All funds will be awarded to the states to implement their programs. States can retain the full 60 percent share with no variable pass-through requirement.

- **Local Pass-through Requirement**

Where applicable, states must pass through a 40 percent portion to units of local government. (For the purpose of Byrne SCIP, a “unit of local government” is a city, county, township, town, or certain federally recognized American Indian tribes.) States have discretion on how the funds are passed through to units of local government. This pass-through is mandatory and not eligible for a waiver. This could include, but is not limited to, an organizational unit of local government such as a local prosecutor’s office, local public defender’s office, local law enforcement agency, local public health agency, or local court. Note: Organizational units of government that are state government entities consistent with state law are not eligible to receive local pass-through funds.

- **Less than \$10,000 Pass-through Requirement**

Some units of local government were not eligible to receive a direct JAG award due to their small size in FY 2024. (These small-sized units of local government are referred to as “less than \$10,000 jurisdictions.”) However, under Byrne SCIP, states must provide additional funds to state courts that provide criminal justice and civil proceeding services for the “less than \$10,000 jurisdictions” within the state and/or subaward the funds to such jurisdictions.

The less than \$10,000 pass-through requirement is eligible for a waiver to the extent that (1) the state-administered project will directly benefit a unit of local government, and (2) one unit (or more) of local government voluntarily agrees and acknowledges in an appropriate written certification that the specified amount of state-administered funds would directly benefit the unit of local government in question and agrees that funding the project at the state level is in the best interest of the local government unit. The detailed process for requesting a less than \$10,000 pass-through waiver can be found in the [Byrne SCIP FAQs](#).

Note: With the exception of state courts, organizational units of government that are state government entities (consistent with state law) are not eligible to receive less than \$10,000 pass-through funds without express prior approval from BJA through a less than \$10,000 pass-through waiver.

Applicants should refer to [Application Contents, Submission Requirements, and Deadlines: Budget Worksheet and Budget Narrative \(Attachment\)](#) for information on allowable and unallowable costs that may inform the development of their project design.

## Unallowable Uses of Funds

The following are certain unallowable costs and certain activities that are out of the program scope and will not be funded.

1. Out of program scope is any program or activity, at any tier that, directly or indirectly, violates (or promotes or facilitates the violation of) federal immigration law (including 8 U.S.C. § 1373) or impedes or hinders the enforcement of federal immigration law—including by failing to comply with 8 U.S.C. § 1373, give access to DHS agents, or honor DHS requests and provide requested notice to DHS agents.
2. Out of program scope is any program or activity, at any tier that violates any applicable Federal civil rights or nondiscrimination law. This includes violations that – (1) indirectly violate the law, including by promoting or facilitating violations; or (2) unlawfully favor individuals in any race or protected group, including on a majority or minority, or privileged or unprivileged, basis, within a given area, population, or sector.
3. As specified in the [DOJ Grants Financial Guide](#), in Chapter 3.13 “Unallowable Costs” (“Legal Services for Aliens”), any obligations of funds, at any tier, under this award to provide (or to support the provision of) legal services to any removable alien or any alien otherwise unlawfully present in the United States shall be unallowable costs for purposes any award made under this notice, but the foregoing shall not be understood to apply— (1) to legal services to obtain protection orders for victims of crime; or (2) to immigration-related legal services that may be expressly authorized or required by any law, or any judicial ruling, governing or applicable to the award.

## Program Goals and Objectives

**Goal:** Implement or enhance crisis intervention and related programs or initiatives to effectively intervene in gun violence and suicide.

## How Awards Will Contribute to Program Goals/Objectives

BJA anticipates that SCIP award recipients will implement or enhance crisis intervention and related programs or initiatives that will be effective in preventing gun violence and suicide; and that measures will have been taken by each grant recipient to safeguard the constitutional rights of an individual subject to a crisis intervention program or initiative.

## Expected Outcomes: Deliverables and Performance Measures

To achieve the goals and objectives of this funding opportunity, OJP has identified expected deliverables that must be produced by a recipient. OJP has also identified performance measures (pieces of data) that will indicate how a recipient is achieving the performance goals

and objectives identified above. Recipients will need to collect and report this performance measure data to OJP.

OJP will measure success by reviewing a recipient's submission of performance reports and data and the extent to which project implementation reflects progress toward the goals and objectives of this NOFO.

### **Deliverables**

Award recipients will be expected to develop and submit the deliverables listed below in the course of implementing their proposed project.

- State Crisis Intervention Program Plan

### **Performance Measures**

OJP will require each award recipient to submit regular performance reports that communicate progress toward achieving the goals and objectives identified in [Program Goals and Objectives](#). Applicants can visit [OJP's performance measurement page](#) at [ojp.gov/performance](http://ojp.gov/performance) for more information on performance measurement activities.

A list of performance measure questions for this funding opportunity can be found at <https://bja.ojp.gov/funding/performance-measures/byrne-scip-measures.pdf>.

### **Funding Instrument**

OJP expects to make awards under this funding opportunity as grants. See the “[Administrative, National Policy, and Other Legal Requirements](#)” section of the [Application Resource Guide](#) for a brief discussion of important statutes, regulations, and award conditions.

## APPLICATION CONTENTS, SUBMISSION REQUIREMENTS, AND DEADLINES

This NOFO contains all the information needed to apply for this funding opportunity. The application for this funding opportunity is submitted through web-based forms and attachments in Grants.gov and JustGrants through the steps that follow.

### Unique Entity Identifiers (UEIs) and SAM.gov Registration

To submit an application, an applicant must have an active registration in the [System for Award Management \(SAM.gov\)](#). SAM.gov assigns entities a unique entity identifier (UEI) that is required for the entity to apply for federal funding. Applicants will enter their UEI with their application. Award recipients must then maintain an active UEI for the duration of their award's period of performance.

**First-time Registration:** Entities registering in SAM.gov for the first time will submit information about their entity type and structure, financial information (such as dates of the fiscal year, banking information, and executive compensation), entity points of contact, and other information. The information is reviewed and verified by SAM.gov, and then a UEI is issued. This process may take several weeks, so entities considering applying for funding should begin the registration process as soon as possible.

**Renewing an Existing Registration:** Entities must renew their SAM.gov registration every 12 months to keep it active. If an entity does not renew their SAM.gov registration, it will expire. An expired registration can delay or prevent the submission of an application for funding in Grants.gov and JustGrants.

Applicants are encouraged to start the SAM.gov registration or renewal process **at least 30 days prior to the application's Grants.gov deadline**. Applicants who fail to begin the registration or renewal process at least 10 business days prior to the Grants.gov deadline may not be able to complete the process in time and will not be considered for a technical waiver that allows for late submission.

### Submission Instructions: Summary

Applications must be submitted to DOJ electronically through a two-step process that begins in Grants.gov and is completed in JustGrants. See [Basic Information: Key Dates and Times](#) for the Grants.gov and JustGrants application deadlines.

- **Step 1:** The applicant must submit the required [Application for Federal Assistance SF-424](#) by the Grants.gov deadline.
- **Step 2:** The applicant must submit the full application, including attachments, through JustGrants by the deadline (see [JusticeGrants.usdoj.gov](#)).

### Submission Step 1: Grants.gov Submission of SF-424

#### Access/Registration

If the applicant does not already have a Grants.gov account, they will need to register for this opportunity in Grants.gov. Applicants should follow the Grants.gov [Quick Start Guide for Applicants](#) to register, create a workspace, assign roles, submit an application, and troubleshoot issues.

## Submission of the SF-424

Applicants will begin the application process in Grants.gov with the submission of the SF-424, which collects the applicant's name, address, and UEI; the funding opportunity number; and proposed project title, among other information. The SF-424 must be signed by the Grants.gov Authorized Organizational Representative for the applicant.

See the [Application Resource Guide](#) for additional information on completing the SF-424.

**Section 8F – Applicant Point of Contact:** Please include the name and contact information of the individual **who will complete the application in JustGrants**. JustGrants will use this information (*i.e.*, email address) to assign the application to this user in JustGrants.

**Section 19 – Intergovernmental Review:** This funding opportunity is subject to [Executive Order \(E.O.\) 12372](#) (Intergovernmental Review). States that participate in the Intergovernmental Review process have an opportunity to review the applicant's submission. An applicant may find the names and addresses of state Single Points of Contact (SPOCs) for Intergovernmental Review at <https://www.ojp.gov/IntergovernmentalReviewSPOCList.pdf>. If the applicant's state appears on the SPOC list, the applicant must contact its SPOC to find out about, and comply with, the state's process under E.O. 12372. On the SF-424, an applicant whose state appears on the SPOC list must make the appropriate selection in response to question 19 once the applicant has complied with its state E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer question 19 by selecting, "Program is subject to E.O. 12372 but has not been selected by the state for review."

**An applicant should submit the SF-424 as early as possible and recommended not later than 48 hours before the Grants.gov deadline.** If an applicant fails to submit the SF-424 in Grants.gov by the deadline, they will be unable to submit their application in JustGrants.

Once the first part of the application has been successfully submitted in Grants.gov, the Grants.gov Workspace status will change from "In Progress" to "Submitted." Applicants will also receive a series of four Grants.gov email notifications. Refer to the [DOJ Application Submission Checklist](#) for additional details.

If an applicant needs to update information in the SF-424 after it is submitted in Grants.gov, they can update the information as part of their JustGrants submission (see [Application Contents, Submission Requirements, and Deadlines: Standard Applicant Information](#)). They do not need to submit an update in Grants.gov.

## Submission Step 2: JustGrants Submission of Full Application Access/Registration

For first-time JustGrants applicants, once the application is received from Grants.gov, DOJ will send an email (from [DIAMD-NoReply@usdoj.gov](mailto:DIAMD-NoReply@usdoj.gov)) to the email address listed in Section 8F of the SF-424 with instructions on how to create a JustGrants account. This email should arrive within 24 hours after confirmation from Grants.gov of the SF-424 submission.

Creating and setting up a JustGrants account consists of three steps:

1. Follow the instructions in the email to first confirm who will be the Entity Administrator (the person who manages which staff can access JustGrants on behalf of the applicant).
2. Log in to JustGrants and confirm the information in the Entity Profile.

3. Invite other individuals who will serve as the Application Submitter and the Authorized Representative for the applicant to register for JustGrants.

These steps should be completed in JustGrants as early as possible and recommended not later than 48 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive a link in an email to complete the rest of the application in JustGrants. Applicants can find additional information on JustGrants registration in the [DOJ Grant Application Submission Checklist](#).

### Preparing for Submission

Some of the required sections of the application will be entered directly into JustGrants, and other sections will require documents to be uploaded and attached. Therefore, applicants should allow enough time before the JustGrants deadline to prepare, enter, and upload all the requirements of the application.

Applicants may save their application in the system and add to or change the application as needed prior to hitting the “Submit” button at the end of the application in JustGrants. After the application deadline, no changes or additions can be made to the application. **OJP recommends that applicants submit the complete application package in JustGrants at least 48 hours prior to the JustGrants deadline.**

For additional information, including file name and type requirements, see the “How To Apply” section in the [Application Resource Guide](#).

### Standard Applicant Information

The Standard Applicant Information section of the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. The applicant will need to review the Standard Applicant Information in JustGrants and can make whatever edits are needed. Within this section, the applicant will need to add ZIP codes for areas affected by the project; confirm their Authorized Representative; and confirm the organization’s unique entity identifier, legal name, and address.

### Proposal Abstract

A proposal abstract (no more than 2,000 characters) summarizing the proposed project must be completed in the JustGrants web-based form. The text from abstracts will be made publicly available on the OJP.gov and USASpending.gov websites if the project is awarded, so this section of the application should not contain any personally identifiable information (e.g., the name of the project director).

The abstract should be in paragraph form without bullets or tables and written in the third person (e.g., they, the community, their, themselves, rather than I or we). The abstract should include the following information:

- The name of the applicant’s proposed project.
- The purpose of the proposed project (*i.e.*, what the project will do and why it is necessary).
- Where the project will take place (*i.e.*, the service area, if applicable).
- Who will be served by the project (*i.e.*, who will be helped or have their needs addressed by the project).
- What activities will be carried out to complete the project.

- The subrecipient(s)/partner organizations or entities, if known.
- Deliverables and expected outcomes (*i.e.*, what the project will achieve).

See the [Application Resource Guide](#) for an [example](#) of a proposal abstract.

## Data Requested With Application

### Financial Management and System of Internal Controls Questionnaire (including Applicant Disclosure of High-Risk Status)

The Financial Management and System of Internal Controls Questionnaire helps OJP assess what financial management and internal control systems the applicant has in place, whether these systems would be sufficient to maintain a funding award, and the associated potential risks of an applicant as part of the pre-award risk assessment process. Every OJP applicant (other than an individual applying in their personal capacity, not representing an applicant organization) is required to complete the web-based form in JustGrants. See the [Application Resource Guide: Financial Management and System of Internal Controls Questionnaire \(including Applicant Disclosure of High-Risk Status\)](#) for additional guidance on how to complete the questionnaire.

### Proposal Narrative

**Format of the Proposal Narrative:** The Proposal Narrative will be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point size font; have no less than 1-inch margins; have numbered pages; and should not exceed 10 pages. Tables, charts, and graphs may be included in the program narrative with a legible font smaller than 12-point.

**Sections of the Proposal Narrative:** The Proposal Narrative must include the four sections listed below.

**1. Description of the Need:** What critical issue or problem is the applicant proposing to address with this project? Please include:

- The state's strategy/funding priorities for FY 2025 Byrne SCIP funds, the subgrant award process and timeline, and a description of the programs to be funded over the 3-year grant period. Specifically note if the state intends to use funds to support ERPO program implementation.
- Describe any current activities related to Byrne SCIP and how this funding will be coordinated and supplement those activities, including activities being implemented with the Byrne SCIP funds from prior years.

**2. Project Design and Implementation:** How will the applicant implement project activities that meet the goals and objectives? Please include:

- A description of how the state will address the Program Requirements, as relevant to the applicant's proposed activities.
- A description of the anticipated funding strategy based on the allowable uses of funds and address the process for determining local pass-through subawards, where required, and an understanding that all subawards require specific prior approval from BJA post-award.

**3. Capabilities and Competencies:** What administrative and technical capacity and expertise does the applicant bring to successfully complete this project? Please include:

- A description of the applicant’s capacity to successfully implement a large-scale program.
- A description of the capabilities and competencies necessary to collect the statutorily required research and evaluation data and to coordinate with large scale evaluation studies.

**4. Plan for Collecting the Data Required for This NOFO’s Performance Measures:** Please include:

- A description the applicant’s understanding of the performance data reporting requirements for this grant program and detail how the applicant will gather the required data should it receive funding.

**Project Evaluations:** An applicant that proposes to use award funds to conduct project evaluations must follow the guidance in the “[Note on Project Evaluations](#)” section in the [Application Resource Guide](#).

### **Budget Worksheet and Budget Narrative (Attachment)**

The applicant will complete the budget worksheet attachment and submit it by uploading it as an attachment in JustGrants. See the [OJP Grant Application Resource Guide](#) for additional information.

For additional information about how to prepare a budget for federal funding, see the [Application Resource Guide](#) section on “[Budget Preparation and Submission Information](#).” For details on the technical steps to complete the budget attachment and upload it in JustGrants, see the [Complete the Application in JustGrants: Budget](#) training.

### **Funding Restrictions**

See “[Unallowable Uses of Funds](#).”

- **Limitation on direct administrative costs** – Funds may not be used for direct administrative costs that exceed 10 percent of the total award amount. In addition, state administering agency direct administrative costs cannot be deducted from the minimum pass-through amounts and must only be deducted from the state share of funds.
- **Matching funds** – Absent specific federal statutory authority to do so, Byrne SCIP award funds may not be used to match other federal awards.
- **Prohibition of supplanting** – Funds may not be used to supplant state or local funds but must be used to increase the amounts of such funds that would, in the absence of federal funds, be made available.
- **Lobbying** – In general, as a matter of federal law, funds may not be used, either directly or indirectly, to support the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See [18 U.S.C. 1913](#). Recipients and subrecipients must comply with the provisions in [2 C.F.R. § 200.450 \(Lobbying\)](#) and [18 U.S.C. 1913](#), as appropriate. Also, see [Chapter 2.1](#) of the [DOJ Grants Financial Guide](#)

for more specifics about restrictions on lobbying. Should any question arise as to whether a particular use of award funds would or might fall within the scope of these prohibitions, the recipient is to contact BJA for guidance and may not proceed without the express prior written approval of BJA.

- **Unallowable costs** – In addition to the unallowable costs identified in the DOJ Grants Financial Guide, award funds may not be used for the following:
  - Prizes, rewards, entertainment, trinkets (or any type of monetary incentive)
  - Client stipends
  - Gift cards
  - Food and beverage

All recipients and subrecipients (including any for-profit organization) must forgo any profit or management fee.

**Costs Associated With a Conference/Meeting/Training:** An applicant that proposes to use award funds for activities related to a conference, meeting, training, or similar event should review the [Application Resource Guide](#) for information on prior approval, planning, and reporting costs for a conference/meeting/training.

**Costs Associated With Language Assistance and Access:** If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable in specific grant programs. Costs to provide reasonable accommodation and facilitate language access for individuals who are deaf or hard of hearing may also be allowable in specific grant programs. See the [Application Resource Guide](#) for information on costs associated with language assistance

For additional information about how to prepare a budget for federal funding, see the [Application Resource Guide](#) section on “[Budget Preparation and Submission Information](#)” and the technical steps to complete the budget form in JustGrants in the [Complete the Application in JustGrants: Budget](#) training.

## **Budget and Associated Documentation: Budget/Financial Attachments**

**Indirect Cost Rate Agreement (if applicable):** An applicant with a current, federally approved indirect cost rate agreement should upload it as an attachment in JustGrants.

Indirect costs are costs of an organization that are not readily assignable to a particular project but are necessary for the operation of the organization and the performance of the project. Examples of costs usually treated as indirect include those incurred for operation and maintenance of offices or workspaces and salaries of administrative or support staff. The requirements for the development and submission of indirect cost proposals and cost allocation plans are listed in Appendices III–VII of 2 C.F.R. Part 200. A non-federal applicant should follow the guidelines applicable to its type of organization. See the [DOJ Grants Financial Guide](#) and the [OJP Grant Application Resource Guide](#) for additional information on indirect cost rate agreements.

**Consultant Rate (if applicable):** OJP has established maximum rates for consultants; see the “Listing of Costs Requiring Prior Approval” section of the [DOJ Grants Financial Guide](#) for more

information. If an applicant proposes a rate for a consultant on their project that is higher than the established maximum rate and receives an award, then the award recipient must submit a document requesting approval for the rate and cannot incur costs at the higher rate without prior OJP approval. The award recipient must provide justification for why the proposed rate is higher than the established maximum rate, such as why the rate is reasonable and consistent with that paid for similar services in the marketplace.

**Limitation on Use of Award Funds for Employee Compensation for Awards Over \$250,000; Waiver (if applicable):** This notice of funding opportunity expressly modifies the OJP Grant Application Resource Guide by not incorporating the “Limitation on Use of Award Funds for Employee Compensation; Waiver” provisions in the “Financial Information” section of the OJP Grant Application Resource Guide.

**Disclosure of Process Related to Executive Compensation (if applicable):** This notice of funding opportunity expressly modifies the Application Resource Guide by not incorporating its “Disclosure of Process Related to Executive Compensation” provisions. Applicants to this funding opportunity are not required to provide this disclosure.

### Additional Application Components

The applicant should attach the additional requested documentation listed below in JustGrants.

- **Research and Evaluation Independence and Integrity Statement (if applicable):** If an application proposes research (including research and development) and/or evaluation, the applicant must demonstrate research/evaluation independence and integrity, including appropriate safeguards, before it may receive award funds. The applicant will upload documentation of its research and evaluation independence and integrity as an attachment in JustGrants. For additional information, see the [Application Resource Guide](#).

### Disclosures and Assurances

The applicant will address the following disclosures and assurances.

**Disclosure of Lobbying Activities:** JustGrants will prompt each applicant to indicate if it is required to complete and submit a lobbying disclosure under 31 U.S.C. § 1352.

The applicant is required by law to complete and submit a lobbying disclosure form (Standard Form/SF-LLL) if it has paid or will pay any person to lobby in connection with the award for which it is applying AND this application is for an award in excess of \$100,000. This disclosure requirement is not applicable to such payments by an Indian Tribe, Tribal organization, or any other Indian organization that are permitted by other federal law.

Lobbying means (for this requirement) influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress. See 31 U.S.C. 1352; 28 C.F.R. part 69. Note: Most applicants do not engage in activities that trigger this disclosure requirement.

An applicant that is not required by law (31 U.S.C. 1352) to complete and submit a lobbying disclosure, should enter “No.” By doing so, the applicant is affirmatively asserting (under applicable penalties) that it has nothing to disclose under 31 U.S.C. § 1352 with regard to the application for the award at issue.

**Disclosure of Duplication in Cost Items:** To ensure funding coordination across grantmaking agencies, and to avoid unnecessary or inappropriate duplication of grant funding, the applicant must disclose if it has any pending applications for federal funding, including pending applications for subawards of federal funds, for the same project and the same budget items included in this proposal. Complete the JustGrants Applicant Disclosure of Duplication in Cost Items form. See the [Application Resource Guide](#) for additional information.

**DOJ Certified Standard Assurances:** Review and accept the DOJ Certified Standard Assurances in JustGrants. See the [Application Resource Guide](#) for additional information.

**DOJ Certifications:** Review the DOJ document [Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; Drug-Free Workplace Requirements; Coordination with Affected Agencies](#). An applicant must review and sign the certification document in JustGrants. See the [Application Resource Guide](#) for more information.

**Applicant Disclosure and Justification – DOJ High-Risk Grantees (if applicable):** If applicable, submit the DOJ High-Risk Disclosure and Justification as an attachment in JustGrants. A DOJ high-risk recipient is an award recipient that has received a DOJ high-risk designation based on a documented history of unsatisfactory performance, financial instability, management system or other internal control deficiencies, noncompliance with award terms and conditions on prior awards, or that is otherwise not responsible. See the [Application Resource Guide](#) for additional information.

## Submission Dates & Times

Refer to [Basic Information: Key Dates and Times](#) for the submission dates and times.

Applicants should submit their applications as early as possible and recommended not later than 48 hours before the deadlines. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. Applicants will use the “Certify and Submit” feature in JustGrants to confirm that all required application components have been entered, which includes identifying the Authorized Representative for the applicant. Once the application is submitted, the Application Submitter, Authorized Representative, and Entity Administrator receive a confirmation email.

An applicant will receive emails after successfully submitting application components in Grants.gov and JustGrants and should retain all emails and other confirmations received from the SAM.gov, Grants.gov, and JustGrants systems.

## Experiencing Technical Issues Preventing Submission of an Application (Technical Waivers)

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. OJP will only consider requests to submit an application via alternative methods or after the deadline when the applicant can document that there is a technical issue with a government system that was beyond their control and that prevents submission of the application via the standard process prior to the deadlines. Issues resulting from circumstances within the applicant's control, such as failure to begin the SAM.gov, Grants.gov, or JustGrants registration and application process in sufficient time, will not be considered.

Requests and documentation must be sent to the OJP Response Center at [OJP.ResponseCenter@usdoj.gov](mailto:OJP.ResponseCenter@usdoj.gov). Applicants should follow these steps if they experience a technical issue:

- 1. Contact the relevant help desk to report the issue and receive a tracking number.**

See [Basic Information: Contact Information](#) for the phone numbers, email addresses, and operating hours of the SAM.gov, Grants.gov, and JustGrants help desks. Reports of technical issues to the help desk must occur **before** the application deadline.

If an applicant calls the help desk and experiences a long wait time, they can also email the help desk to obtain a tracking number. Tracking numbers are generated automatically when an applicant emails the applicable service desk, and for this reason, long call wait times for support do not relieve the applicant of the responsibility of getting a tracking number.

**2. If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at [OJP.ResponseCenter@usdoj.gov](mailto:OJP.ResponseCenter@usdoj.gov) within 24 hours of the Grants.gov deadline to request approval to submit after the deadline. The applicant's request will need to include:**

- A description of the technical difficulties experienced (provide screenshots if applicable).
- A timeline of the applicant's submission efforts (*e.g.*, date and time the error occurred, date and time of actions taken to resolve the issue and resubmit, and date and time support representatives responded).
- An attachment of the complete grant application and all the required documentation and materials (this serves as a "manual" submission of the application).
- The applicant's unique entity identifier (UEI).
- Any SAM.gov, Grants.gov, and JustGrants Service Desk tracking/ticket numbers documenting the technical issue.

**3. If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at [OJP.ResponseCenter@usdoj.gov](mailto:OJP.ResponseCenter@usdoj.gov) within 24 hours of the JustGrants deadline to request approval to submit after the deadline. See step 2 for the list of information the applicant must provide as part of its request.**

As a reminder: the waiver request will not be considered unless it includes documentation of attempts to receive technical assistance to resolve the issue prior to the application deadline. OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue (including all information previously listed), or that does not submit a waiver request within the required time period, will be denied.

For more details on the waiver process, OJP encourages applicants to review the "Experiencing Technical Issues" section in the [Application Resource Guide](#).

## APPLICATION REVIEW

### Review Process and Criteria

OJP will review applications to ensure the information presented is reasonable, understandable, measurable, achievable, and consistent with the goals of the funding opportunity. See the [OJP Grant Application Resource Guide](#) for information on the application review process for formula grants.

### Risk Review

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to applicant risk. OJP assesses whether an applicant with one or more prior federal awards has a satisfactory record of performance, integrity, and business ethics, including by (among other things) checking whether the applicant is listed in SAM.gov as excluded from receiving a federal award.

Depending on the severity and nature of the risk factors, the risk assessment may result in additional post-award conditions and oversight for any awarded applicant.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM.gov.

**Important Note on Responsibility/Qualification Data (formerly FAPIIS):** An applicant may review and comment on any information about its organization that currently appears in SAM.gov and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in SAM.gov, in its assessment of the risk posed by the applicant.

### Selection Process

All final award decisions will be made by the Assistant Attorney General, unless a statute explicitly authorizes award decisions by another official or there is written delegation of authority to another official. This official may consider not only program office recommendations but also other factors as indicated in the “Application Review” section. For additional information on the application review process, see the [Application Resource Guide](#).

## AWARD NOTICES

### Federal Award Notices

For successful applicants, JustGrants will send a system-generated email to the Application Submitter, Authorized Representative, and Entity Administrator with information on accessing their official award package in JustGrants. The award package will include key information (such as funding amount and period of performance) as well as award conditions that must be followed. An authorized representative for the entity should accept or decline the award within 45 days of the notification. See the [Application Resource Guide](#) for information on award notifications and instructions.

# POST-AWARD REQUIREMENTS AND ADMINISTRATION

## Reporting

All award recipients under this funding opportunity will be required to submit the following reports and data:

- Quarterly financial reports.
- Quarterly performance reports.
- Final financial and performance reports.
- If applicable, an annual audit report in accordance with the Part 200 Uniform Requirements or specific award conditions.

See the [Application Resource Guide](#) for additional information on specific post-award reporting requirements, including performance measure data and the method for submitting reports in OJP's online systems. Future awards and fund drawdowns may be withheld if reports are delinquent (in appropriate cases, OJP may require additional reports).

### Performance Measure Reporting

Award recipients are required to submit performance measure data in BJA's Performance Measurement Tool (PMT) quarterly and separately submit a semi-annual performance report in JustGrants. Applicants selected for an award will receive further guidance on post-award reporting processes.

### Program- and Award-Specific Award Conditions

OJP includes various conditions on its awards. These may include program-specific conditions, which typically apply to all recipients of a funding opportunity, and award-specific conditions, which are included to address recipient-specific issues (*e.g.*, programmatic or financial risk). Recipients may view all conditions, and actions required to satisfy those conditions, in the award package in JustGrants.

### Administrative, National Policy, and Other Legal Requirements

If selected for funding, in addition to implementing the funded project consistent with the OJP-approved application, the recipient must comply with all award conditions and all applicable requirements of federal statutes and regulations, including the applicable requirements referred to in the assurances and certifications executed in connection with award acceptance. For additional information on these legal requirements, see the "Administrative, National Policy, and Other Legal Requirements" section in the [Application Resource Guide](#).

### Civil Rights Compliance

If a successful applicant accepts funding from OJP—as a recipient of OJP funding—that award recipient must comply with certain federal civil rights laws that prohibit the award recipient from discriminating on the basis of race, color, national origin, sex, religion, or disability in how it delivers its program's services or benefits and in its employment practices. The civil rights laws that may be applicable to the award include, but are not limited to, Title VI of the Civil Rights Act of 1964, the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act of

1968, and Section 504 of the Rehabilitation Act of 1973. These and other federal civil rights laws are discussed in greater detail on OJP's [Legal Overview—FY 2025 Awards](#) webpage under the "Civil Rights Requirements" section. Additional resources are available from the [OJP Office for Civil Rights](#).

Compliance with Federal civil rights and nondiscrimination laws is material to the government's decision to make any award and payment under this program, including for purposes of the False Claims Act, and each recipient will be required to certify (in its acceptance of the conditions of the award) that it does not operate any programs (including any such programs having components relating to diversity, equity, and inclusion) that violate any applicable Federal civil rights or nondiscrimination laws.

See OJP's [Partnerships with Faith-Based and Other Neighborhood Organizations webpage](#) for specific information for faith-based organizations applying under this NOFO.

### **Financial Management and System of Internal Controls**

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the [Application Resource Guide](#) for additional information.

### **Information Technology Security Clauses**

An application in response to this NOFO may require inclusion of information related to information technology security. See the [Application Resource Guide](#) for more information.

### **Other Reporting Requirements**

Applicants and recipients are required to notify OJP if you know that you or any of your organization's principals for the award transaction are presently excluded or disqualified (*i.e.*, debarred or suspended) or otherwise meet any of the criteria in 2 C.F.R. 180.335. Recipients must comply with requirements in 2 C.F.R. Part 180, as implemented by DOJ in 2 C.F.R. Part 2867, which, among other things, require recipients to check certain information sources and, in some cases, notify the federal awarding agency prior to the agency awarding federal funds via contracts or subawards.

If a recipient's award includes a federal share of more than \$500,000 over the period of performance of the award, then the award (per 2 C.F.R. 200.113) will include a condition that may require the recipient to report and maintain certain information (relating to certain criminal, civil, and administrative proceedings) in SAM.gov. See the [Reporting Requirements page](#) for more information.

## OTHER INFORMATION
